

# Geography curriculum tracking document

	Year 1 and 2 progress statements	Year 3 and 4 progress statements	Year 5 and 6 progress statements
To investigate places	<ul style="list-style-type: none"> <li>Ask and answer geographical questions (such as: what is this place like? What or who will I see in this place? What do people do in this place?)</li> </ul>	<ul style="list-style-type: none"> <li>Ask and answer geographical questions about the physical and human characteristics of a location.</li> </ul>	<ul style="list-style-type: none"> <li>Collect and analyse statistics and other information in order to draw clear conclusions about locations</li> </ul>
	<ul style="list-style-type: none"> <li>Identify the key features of a location in order to say whether it is a city, town, village, coastal in rural area</li> </ul>	<ul style="list-style-type: none"> <li>Explain own views about locations, giving reasons.</li> </ul>	<ul style="list-style-type: none"> <li>Identify and describe how the physical features affect the human activity within a location</li> </ul>
	<ul style="list-style-type: none"> <li>Use world maps, atlases and globes to identify the United Kingdom and its contraries, as well as the countries, continents and oceans studied.</li> </ul>	<ul style="list-style-type: none"> <li>Use maps, atlases, globes and digital/computer mapping to locate countries and describe features.</li> </ul>	<ul style="list-style-type: none"> <li>Use a range of geographical resources to give detailed descriptions and opinions of the characteristic features of a location</li> </ul>
	<ul style="list-style-type: none"> <li>Use simple fieldwork and observational skills to study the geography of the school and the key human and physical features of its surrounding environment.</li> </ul>	<ul style="list-style-type: none"> <li>Use fieldwork to observe and record the human physical features in the local area using a range of methods including sketch maps, plans and graphs and digital technologies</li> </ul>	<ul style="list-style-type: none"> <li>Use different types of fieldwork sampling (random and systematic) to observe, measure and record the human and physical features in the local area. Record the results</li> </ul>
	<ul style="list-style-type: none"> <li>Use Aerial images and plan perspectives to recognise landmarks and basic physical features,</li> </ul>	<ul style="list-style-type: none"> <li>Use a range of resources to identify the key physical and human features of a location</li> </ul>	<ul style="list-style-type: none"> <li>Analyse and give on the effectiveness of different geographical representations of a location such as aerial images compared with maps an topographical representations of a location (such as areal images compared with maps and topographical maps – as in London’s tube map)</li> </ul>
	<ul style="list-style-type: none"> <li>Name, locate and identify characteristics of the four countries and capital cities of the united kingdom and surrounding seas</li> </ul>	<ul style="list-style-type: none"> <li>Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land – use</li> </ul>	<ul style="list-style-type: none"> <li>Name and locate some of the countries and cities of the world and their identifying human and physical characteristics, including hills, mountains, rivers, key topographical features and land-use patterns; and understand how some of these aspects have changed over</li> </ul>

		patterns, and understand how some of these aspects have changed over time.	time,
	<ul style="list-style-type: none"> <li>Name and locate the world's continents and oceans</li> </ul>	<ul style="list-style-type: none"> <li>Name and locate the countries of Europe and identify their main physical and human characteristics</li> </ul>	<ul style="list-style-type: none"> <li>Name and locate countries of North and South America and identify their main physical and human characteristics.</li> </ul>
To communicate Geographically	<ul style="list-style-type: none"> <li>Use basic geographical vocabulary to refer to: Key physical features, including: <ul style="list-style-type: none"> <li>beach, coast, forest, hill, mountain, ocean, river, soil, valley, vegetation and weather</li> </ul> </li> <li>Key human features, including: city, town, village, factory, farm, house, office, and shop</li> </ul>	<ul style="list-style-type: none"> <li>Describe key aspects of <ul style="list-style-type: none"> <li>Physical geography, including rivers, mountains, volcanoes, and earthquakes and the water cycle</li> <li>Human geography including settlements and land use</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>Describe and understand key aspects of Physical geography, including, climate zones, biomes and vegetation belts, rivers mountains volcanoes and earthquakes and the water cycle</li> <li>Human geography including settlements, land use, economic activity including trade links, and the distribution of natural resourced including energy, food minerals and water supplies</li> </ul>
	<ul style="list-style-type: none"> <li>Use compass directions (north, south, east and west) and locational language (e.g near or far)</li> </ul>	<ul style="list-style-type: none"> <li>Use the eight points of a compass, four-figure grid referenced, symbols and key to communicate knowledge of the United Kingdom and the wider world</li> </ul>	Use the eight points of a compass, four-figured grid references, symbols and a key (that uses standard ordnance survey symbols) to communicate knowledge of the united kingdom and the world
	<ul style="list-style-type: none"> <li>To describe the location of features and routes on a map</li> </ul>		<ul style="list-style-type: none"> <li>Create maps of locations identifying patterns (such as land use, climate zones, population densities height of land</li> </ul>
	<ul style="list-style-type: none"> <li>Devise a simple map: and use and construct basic symbols in a key, use simple grid references (A1, B1)</li> </ul>		
To investigate patterns	<ul style="list-style-type: none"> <li>Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom and of a contrasting non-European country</li> </ul>	<ul style="list-style-type: none"> <li>Name and locate the Equator, Northern, Hemisphere, Southern Hemisphere, the Topics of Cancer and Capricorn, Arctic and Antarctic Circle and date time zones. Describe some of the characteristics of the geographical areas</li> </ul>	<ul style="list-style-type: none"> <li>Identify and describe the geographical significance of latitude, Equator, Northern Hemisphere, Southern Hemisphere. The Tropics of Cancer and Capricorn, Arctic and Antarctic Circle and time zones (including day and night)</li> </ul>

	<ul style="list-style-type: none"> <li>Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles</li> </ul>	<ul style="list-style-type: none"> <li>Describe geographical similarities and differences between countries</li> </ul>	<ul style="list-style-type: none"> <li>Understand some of the reasons for geographical similarities and differences between countries</li> </ul>
	<ul style="list-style-type: none"> <li>Identify land use around the school</li> </ul>	<ul style="list-style-type: none"> <li>Describe how the locality of the school has changed over time</li> </ul>	<ul style="list-style-type: none"> <li>Describe how locations around the world are changing and explain some of the reasons for change</li> <li>Describe geographical diversity across the world</li> <li>Describe how countries and geographical regions are interconnected and interdependent</li> </ul>
